

ALIGNING FOR GLOBAL IMPACT

OUR MISSION

Global Strategic Alliance (GSA) is a Kingdom relationship enterprise called by God to arise, align, and activate God's people to accomplish His purposes.

May they be brought to complete unity to let the world know that you sent me.))

John 17:23 (NIV)

VISION & VALUES

We believe that **working together in unison under the leadership of Jesus Christ** according to Romans 15:5-6:

"May the God who gives endurance and encouragement give you a spirit of unity amongst yourselves as you follow Christ Jesus, so that one heart and mouth you may glorify the God and Father of our Lord Jesus Christ."

GSA CORE BELIEFS:

WALK BY FAITH

"Trust in the Lord with all your hearts; and lean not on your own understanding. In all your ways acknowledge him, and he shall direct your path."

Proverbs 3:5-6

A CULTURE OF PRAYER

"Devote yourselves to prayer, keeping alert in it with an attitude of thanksgiving."

Colossians 4:2

LED BY THE HOLY SPIRIT

"But when he, the Spirit of truth, comes, he will guide you into all truth; for he will not speak on his own initiative, but whatever he hears, he will speak; and he will disclose to you what is to come."

John 16:13

MANY PARTS—SHARED VISION

We are each members of **the Body of Christ**, forming a global spiritual body—each placed in our own strategic Kingdom areas. As we connect and work together, God accomplishes his plan in amazing ways.

GSA serves as a dynamic hub for equipping, informing, motivating, and resourcing leaders in three sectors—*ministry, business and government* for greater global impact.

GSA's impressive record of bringing key people together stems from God's original model of how people are created by God.

OUR IDENTITY: MADE IN GOD'S IMAGE

Every individual is created in 3D—three parts; a **SPIRIT, SOUL** and **BODY**; each part having its own purpose. We operate the way God intended when each of these components are properly aligned.

If the parts are not working together in the right alignment, we are not operating in the will of God, and fall short of accomplishing God's assignment.

Just as we need proper *personal alignment*, our world needs proper *relational alignment*.

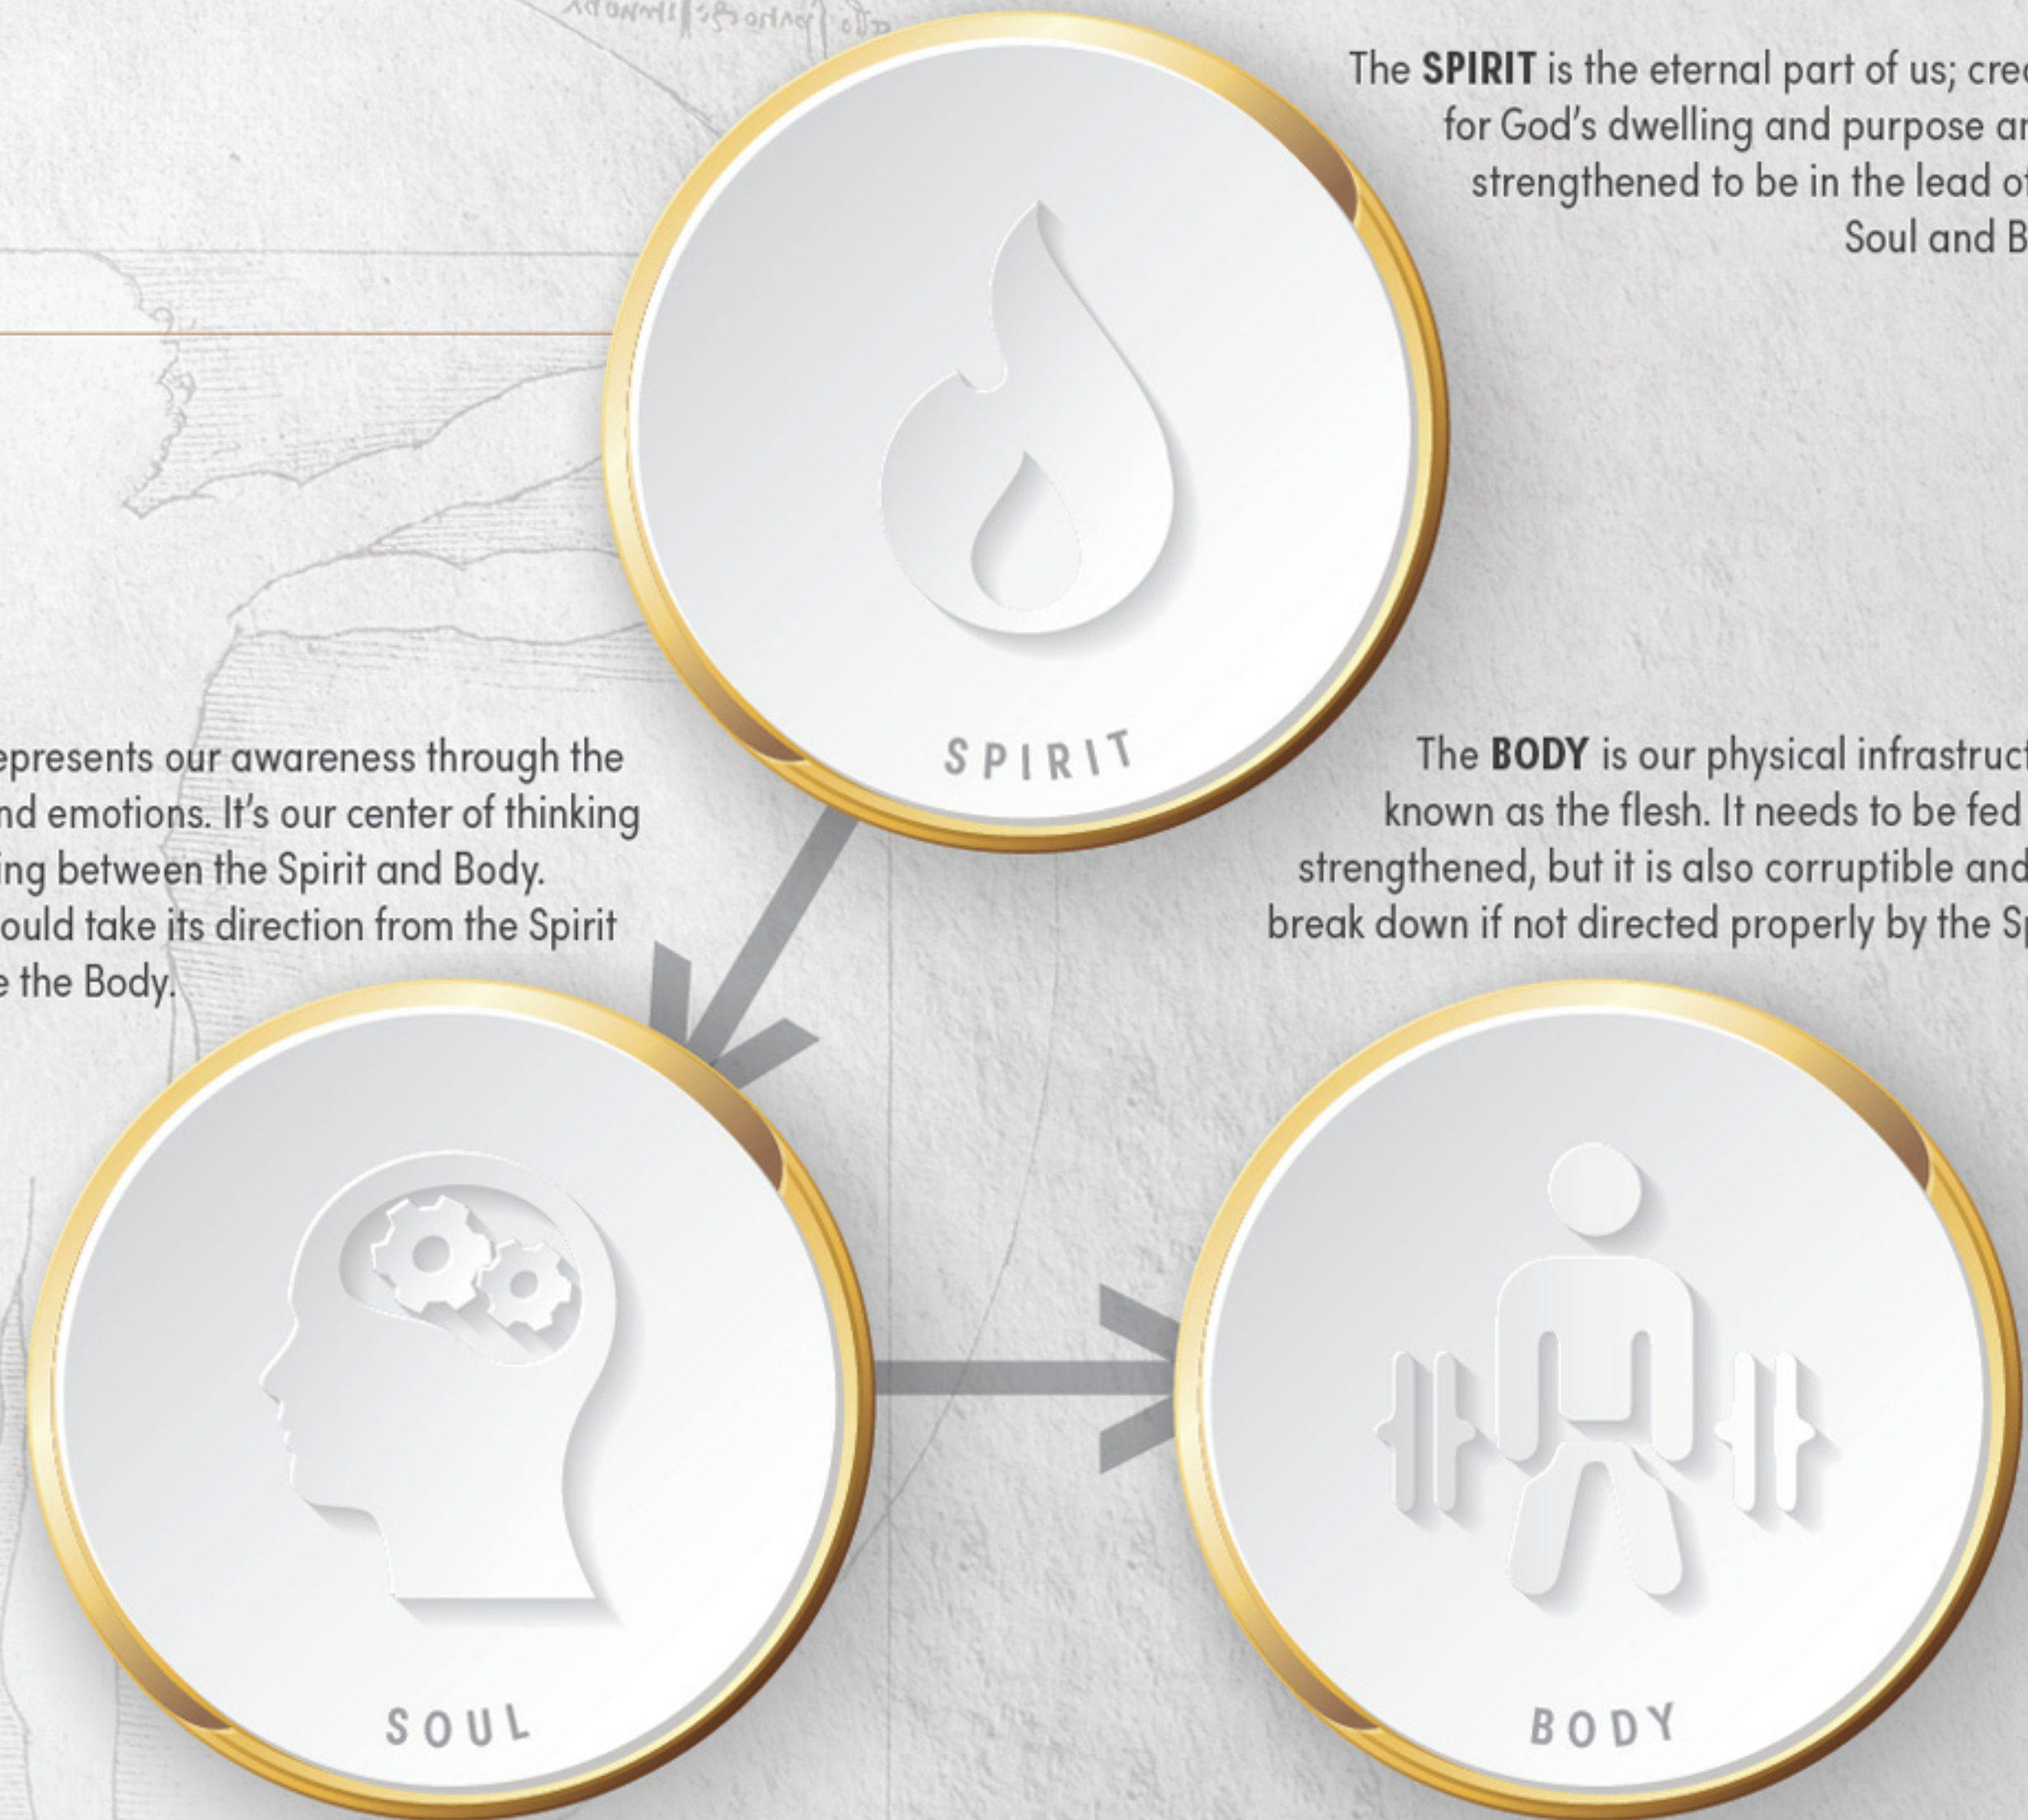

“May God himself, the God of peace, sanctify you through and through. May your whole spirit, soul and body be kept blameless at the coming of our Lord Jesus Christ.”

1 Thessalonians 5:2 (NIV)

The **SOUL** represents our awareness through the mind, will and emotions. It's our center of thinking and reasoning between the Spirit and Body. Ideally, it should take its direction from the Spirit and oversee the Body.

The **SPIRIT** is the eternal part of us; created for God's dwelling and purpose and is strengthened to be in the lead of the Soul and Body.

The **BODY** is our physical infrastructure, known as the flesh. It needs to be fed and strengthened, but it is also corruptible and will break down if not directed properly by the Spirit.

AMERICA'S 3-FOLD FOUNDATION

America was founded on a similar alliance.

In the early 1600s the Puritans fled England in search of an ideal: unfettered worship under a truly biblical framework. A group of Separatists set out for the New World on the tiny Mayflower, under a merchant charter.

After a harrowing voyage left them far off-course, a split between the Puritans and merchants threatened to end the colony before it started. A unique covenant in the form of the **Mayflower Compact** healed the division and formed a self-governing bond under God's Word that became the model for a free democratic society in America.

Thus, an alliance of representatives of three interdependent social components—**ministry**, **business** and **government**—was born, each working with the other to forge a new vision for the New World.

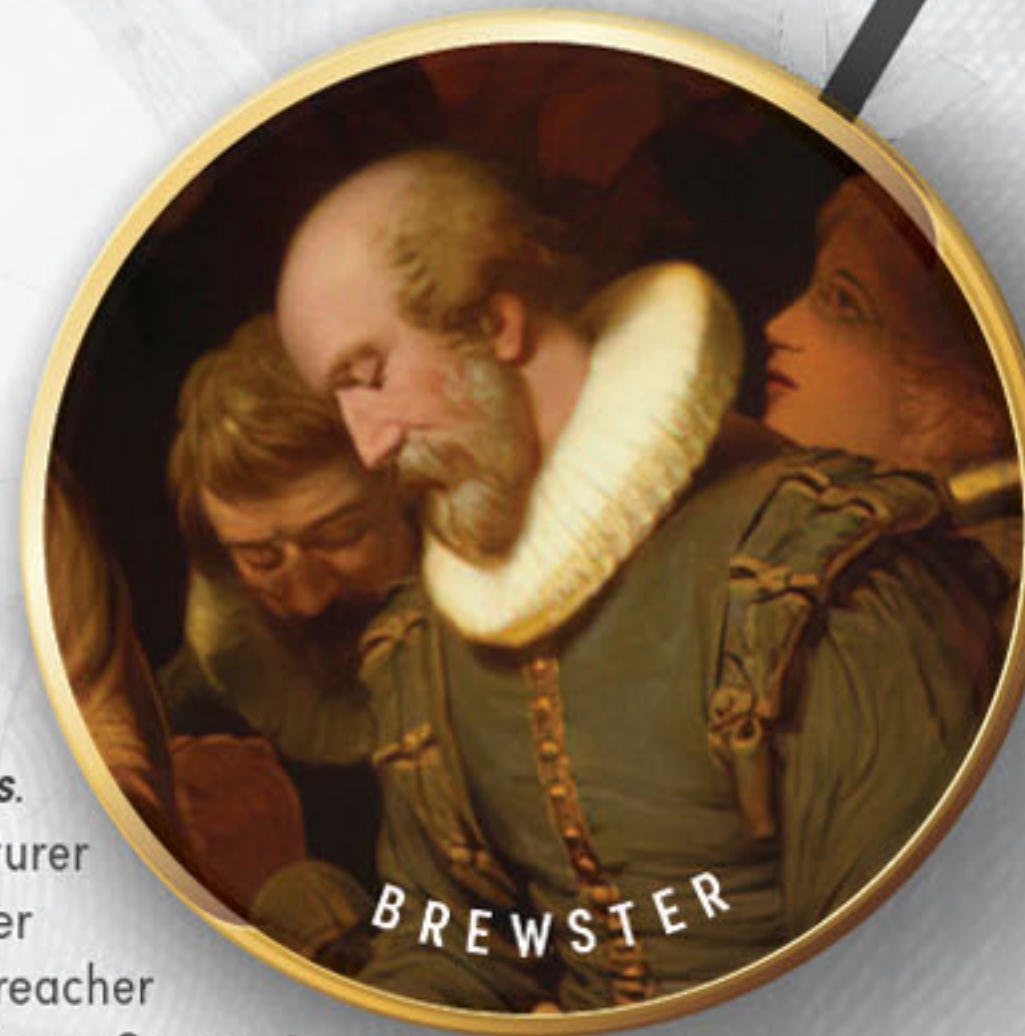

Separatist founder and visionary **John Robinson** represents **ministry**. Although he chose to stay behind in England, Robinson's firm biblical principles continued to be the spiritual underpinnings for the new colony.

Plymouth's long-standing governor of 33 years, **William Bradford** represents **government**. Bradford was a gifted chronicler of the colony's progress, comparing it with scriptural events. His *Of Plymouth Plantation* became the first great literary work of America.

William Brewster, the principal organizer for the voyage, represents **business**. A postmaster, university lecturer and publisher, Elder Brewster became the Pilgrims' first preacher and likely drafted the Mayflower Compact.

RESTORING PROPER ALLIANCES

For generations, this relational alliance brought great blessings upon the nation. But **America has lost sight of its proper alignment**, and our vital spiritual foundation is all but abandoned. It takes a godly vision within government and business to bring lasting solutions to today's problems.

GSA restores and strengthens these strategic relationships in ALL arenas: business, government and ministry for Kingdom-minded progress.

GSA identifies and connects **faith leaders, corporate entities, and governmental authorities** to create **KINGDOM RELATIONAL ENTERPRISE**.

The key is partner assessment:

GSA screens partners, assesses risks, and identifies cross-cultural and implementation issues.

The advantages are astounding: broadened reach and scale through relationships, technologies, database and idea sharing, plus cost and time savings for maximized delivered value.

A FOUNDATION OF PRAYER & REPENTANCE

Prayer is the cornerstone to every initiative we undertake, and is critical to ushering change to our nation and the world.

The Holy Spirit led us to organize **THE RETURN**, a sacred day of prayer and repentance on the National Mall in Washington, DC in September, 2020. Hundreds of thousands attended the historic event to restore America's Judeo-Christian foundations, and was streamed to tens of millions worldwide to 183 countries in 90 languages—***the largest live broadcast in Christian history.***

THE RETURN
WASHINGTON DC

The Return's biblical steps to Revival and Reformation flow out of the call for Repentance, then Reconciliation and then Restoration.

THE RETURN INTERNATIONAL

THE RETURN ignited a catalytic awakening around the world. Invitations for similar events in have come from every continent, with a massive **Africa Returns** already underway.

Today the wind of the Holy Spirit is fanning a global movement of repentance, restoring the children of Abraham—and the world—for a global harvest, culminating in a worldwide convergence of his elect from the nations to an international **Return Israel** in Jerusalem.

THE NEHEMIAH PROJECT

NEHEMIAH was connected with the highest government leadership in Persia, but far from his home in Judah. He was anguished over the brokenness of the people and the neglected walls around Jerusalem. The king recognized Nehemiah's anguish and granted him special favor to rebuild and strengthen the broken walls of Jerusalem.

GSA works with local nonprofits, partnered churches, neighborhood associations, and government agencies to **restore godly values to our nation** so we, in turn, can light the world:

■ PRAYER

The restoration of prayer in schools.

■ HERITAGE

Public display and education of the Ten Commandments, the cornerstone of Judeo-Christian principles.

■ BIBLE

Free and open Bible reading and literacy in schools.

■ MARRIAGE

Reinstatement of the biblical definition of marriage, the holy union of a man and a woman.

■ LIFE

Preserving the sanctity of unborn (and newly-born) life, with a reversal of Roe vs. Wade.

THE JOSEPH MANDATE

JOSEPH had a God-given talent to bring wisdom and wealth to those he served. This great foresight allowed him to prepare and implement the systems and resources to bring life to a world in famine.

GSA-led teams create and offer **“storehouses” of innovative, sound infrastructure to the world** through national planning to meet basic needs of decent shelters, clean water, crops, energy, technology and more.

Then GSA instills diplomacy, providing restorative transformation by aligning them with the everlasting covenant, the Word of God.

GSA equips international leaders in:

■ **NATIONAL PLANNING**

Meeting the felt needs of nations through the GSA initiatives.

■ **PUBLIC DIPLOMACY**

Develop personal diplomatic relations.

■ **SOUND DOCTRINE**

A thorough sound theological doctrine.

■ **HUMAN RIGHTS**

Advocating for the marginalized and vulnerable; such as the persecuted and minorities.

■ **ISRAEL**

Standing with the people of Israel against anti-Semitism and the campaign to delegitimize the Nation of Israel. We pray for the peace of Jerusalem.

KINGDOM RELATIONAL IMPACT

KINGDOM INITIATIVES:

SMART HOUSING

Ultra-affordable, innovative home design and construction to provide strong, resilient family shelters that are 90% energy efficient and stand up to the harshest weather conditions and earthquakes.

COMMUNICATIONS

Next generation wireless networks that bring truly unlimited data, the fastest download speeds and Wi-Fi connectivity to existing smartphones to any location—urban, rural, forest, tropical—without towers or infrastructure.

NATIONAL SECURITY

GSA is leading the way in giving citizens greater freedom to reach their fullest potential through limited government, promoting a flourishing culture upholding traditional values, and defending the premise that "all men are created equal" with strong national defense.

KINGDOM INITIATIVES:

WATER SOLUTIONS

One of the most cost-effective means of producing industrial-scale water ever created, generating fresh water from the air using a self-sustaining, self-powered system. With no pollution or hazardous bi-products, it can create economic resilience, self-reliance and political stability.

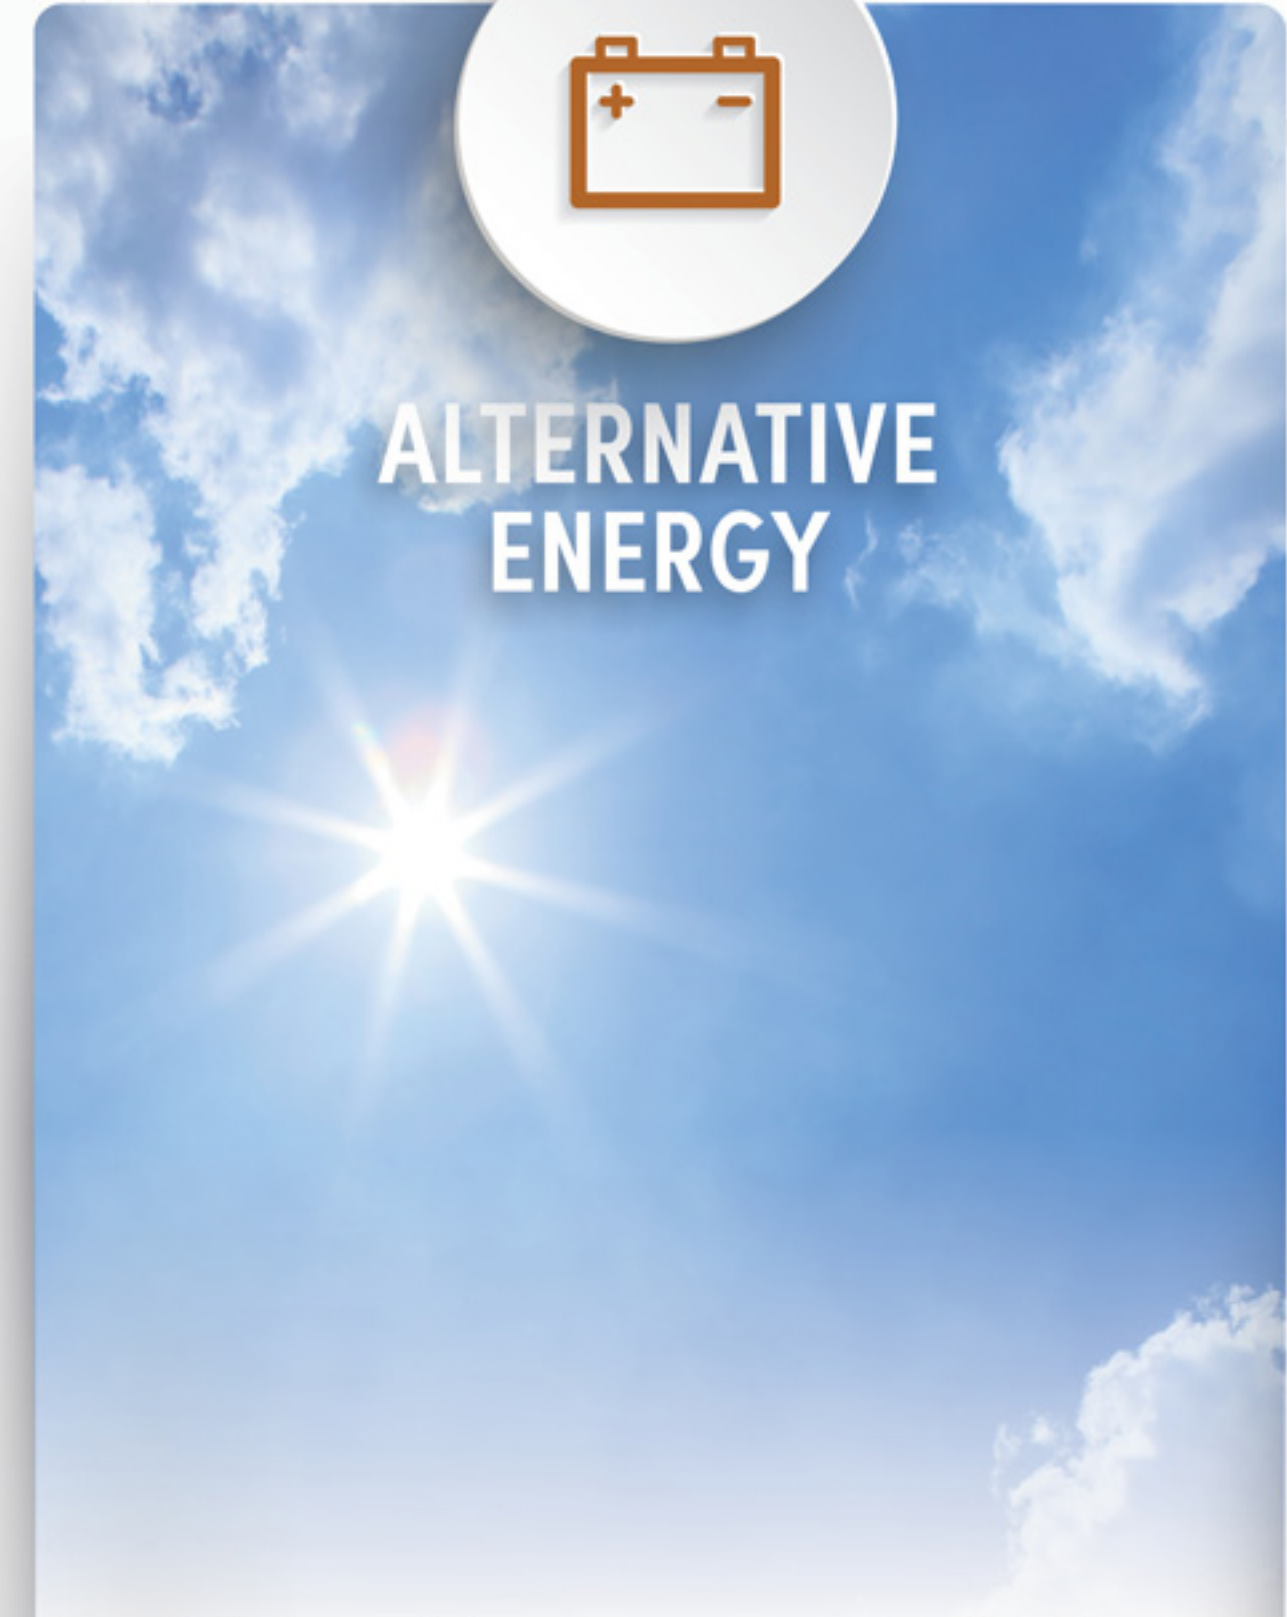

AGRICULTURE

In addition to advanced water generation for crops in even the most difficult environments, GSA partners are working on breakthrough methods of food generation in limited spaces—including Agrihood: urban garden co-ops that combat inner-city “food deserts” with fresh produce.

ALTERNATIVE ENERGY

GSA is working on energy production that eliminates the need for power plants. New sustainable off-grid technology amplifies and converts the latent power that exists within the atmosphere into usable, stored electricity for homes and businesses anywhere in the world.

KINGDOM INITIATIVES:

FAMILY DEVELOPMENT

Research shows that married couples are happier, healthier and more financially secure. Their children do better in school, avoid drugs and have fewer encounters with the law. GSA creates programs to educate and promote strong, healthy families where they are needed most.

JOB TRAINING

A key part of inner-city renewal is workforce development, bringing training, life skills, and spiritual mentoring for young men and those on probation. Dead buildings are removed and rebuilt for success to create the needed environment to attract businesses and create jobs.

ECONOMIC TRANSFORMATION

A partnership of local ministries, churches, nonprofits, schools and businesses. Community analysis discovers gaps preventing healthy personal and public transformation, engaging and mobilizing the entire community and renewing hope and prosperity.

KINGDOM INITIATIVES:

LAW ENFORCEMENT

Partnership of law enforcement and faith-based community to bridge trust within neighborhoods with safe and anonymous information, encouraging neighborhoods to become stronger and safer again—with a resulting 40% reduction in homicides and 65% fewer shootings.

EDUCATION

It is better to build positive character in our youth than to try to change negative character later. New programs during the early stages of education focus on self-worth, innate purpose and promote one's own ambition and desire to create a passion for learning instead of drudgery.

MEDICAL

Advancements in healthcare techniques, technology and pharmaceuticals. Telemedicine pods bring the latest medical advancements affordably to poor or remote areas with fully equipped examination tools and face-to-face doctor's diagnosis.

OUR KAIROS MOMENT

In the original Greek scriptures, the word **KAIROS** means “favorable opportunity” –the right moment; that which lasts only for a while. Although Kairos is a God-given window offered to mankind, the word also implies a risk–of faith. As time moves on, the opportunity can be missed.

The test for us as a people is to recognize it and respond in obedience to the One who is offering it, trusting in his ability to work through us to fulfill his purposes. **We are living in a Kairos moment today.**

The time has come for each of us to seize the moment. Carpe diem! Seize the day! **Seize the God-given opportunity.** However, for that to happen, we must be people of action who are ready to respond by faith to what God has initiated. Ephesians 5:15 say we must be very careful how we live, *“not as unwise, but as wise, making the most of every opportunity because the days are evil.”*
